

ATTACHMENT A

Remarks

Claims 1-4, 22-25 and 29-43 stand pending in the present application. By this Supplemental Amendment, Applicants have amended claims 1, 2, and 23-25, canceled claims 26-28, and added new claims 29-43. Applicants respectfully submit that the present application is in condition for allowance based as discussed below.

In response to the Amendment filed on September 2, 2004, the Examiner conducted a telephonic interview with the Applicants' representative to discuss proposed claim amendments which would put the application in condition for allowance. By this Supplemental Amendment, Applicants have amended the claims as discussed during the interview thereby putting the application in condition for allowance as indicated by the Examiner.

Specifically with regard to claims 1 and 2, Applicants have corrected typographical errors. With regard to composition claims 23 and 25, Applicants have amended these claims to be directed to a respective composition regardless of a relative amount effective to inhibit the proliferation of tumor cells.

With regard to added claims 29-43, these claims correspond to the previously presented claims where new claims 29-31 correspond to claim 26, new claims 32-34 correspond to claim 23, new claims 35-37 correspond to claim 25, new claims 38-40 correspond to claim 27, and new claims 41-43 correspond to claim 28.

In view of the foregoing, Applicants respectfully submit that the present application is in condition for allowance.
